Naresh Kaushik
Founder & Managing Director
Tanshu Australia Pty Ltd

Dear Esteemed Clients and Partners,

I am honoured to extend a warm greeting to each of you on behalf of Tanshu Australia. As the Managing Director of this proudly family owned business established in 2010, I am filled with immense pride as I reflect on our journey of growth and success.

Our story began with a simple yet powerful idea: to redefine excellence in the industrial landscape. From the outset, our vision was clear to establish Tanshu Australia as a global leader in innovation, sustainability, and customer satisfaction. Over time, this vision evolved into a driving force that propelled us to new heights, shaping the very essence of who we are today.

As a family owned enterprise, our roots are deeply embedded in values of integrity, commitment, and a relentless pursuit of excellence. These values have been the guiding light that has led us through every milestone and triumph, fuelling our ambition to exceed expectations and set new standards of achievement.

Today, as we stand on the cusp of a new era of growth and expansion, I am humbled by the unwavering support and trust that our customer and partners have bestowed upon us. It is this trust that has propelled us forward, inspiring us to push the boundaries of innovation and deliver unparalleled solutions to meet the evolving needs of the global market. Over the years, our dedication to innovation and customer satisfaction has fuelled our growth and expansion. From Machinery and Manufacturing Solutions, Green Energy to Textile and Home Décor Products, our diverse portfolio of offerings reflects our commitment to meeting the evolving needs of the worldwide market.

Yet, amidst our achievements and successes, it is the emotional connection to our roots that remains at the heart of everything we do. As we look to the future, I am filled with a sense of excitement and anticipation for what lies ahead. With each new endeavour, we are driven by a singular purpose to make a meaningful impact on the world around us.

Together, let us embark on this journey of growth and discovery, as we strive to reach new heights of success and achievement.

Thank you

Naresh Kaushik

Introduction

Welcome to Tanshu Australia Pty Ltd, a name synonymous with trust, innovation, and excellence in Australia's industrial landscape. Since our establishment in 2010, Tanshu Australia has grown into a reputable family owned business, renowned for its diverse expertise and unwavering commitment to quality across multiple business sectors, including Manufacturing, Machinery, Robotics and Automation, Tanshu Green Energy as well as Textile and Home Décor.

Known for our innovation, efficiency, and reliability, we offer a diverse array of products and services. From locally designed and supported Robotics and Automation solutions to precision-crafted Metal Products, we deliver unparalleled quality and performance to the growing Australian, Indian, South Asian Market and Global Market.

With our own Manufacturing Facilities in Australia and India, we are able to cater to the needs of the South Asian and Australasian Indian and global market regardless of volume. Our diverse range of solutions and metal products can satisfy the demands of any customer needs.

At Tanshu Australia, we prioritise the needs of our customers by providing continuous support and training to our dedicated team. This ensures we consistently deliver quality products, delivery, and outstanding service to our customers.

Our commitment to sustainability is reflected in our expertise in green energy solutions, ensuring we contribute positively to the environment.

Our Journey and Values

From our humble beginnings, Tanshu Australia has been driven by a passion for engineering excellence and a vision to provide top tier solutions that meet the evolving needs of our customers. Our journey is marked by continuous innovation, efficiency, and a steadfast focus on effectiveness and reliability. As a family owned enterprise, we value integrity, commitment, and the importance of building lasting relationships with our customer and partners.

Tanshu Australia has built a robust global presence, delivering excellence and innovation across a wide range of industries. With operations extending from Australia to India and beyond, we serve a diverse clientele through our specialised subsidiaries: Tanshu Metal Products, Tanshu Machinery Solutions, Tanshu Robotics and Automation, Tanshu Green Energy and Tanshu Vaidik India Pvt Ltd. Our strategic international collaborations and partnerships enable us to introduce cutting edge technologies and superior products to a worldwide market.

Our commitment to customer satisfaction and sustainable growth drives us to continually expand our reach. In the upcoming years, we plan to further strengthen our global footprint by entering new markets and offering our comprehensive services in more countries. By leveraging our expertise and innovative solutions, we aim to address the unique needs of clients across various regions, ensuring high quality, tailored service wherever we operate.

Our Vision

At Tanshu Australia, our vision is to lead with innovation, sustainability, and excellence, shaping a future where we grow together with our clients, partners, and communities. We believe in the power of collaboration and shared success, striving to create solutions that not only meet the highest standards of quality but also foster a sustainable and prosperous world for all. Together, we will push boundaries, embrace new opportunities, and build a legacy of trust and achievement, ensuring that our growth journey is one of mutual benefit and enduring impact.

Our future vision encompasses the following key areas as Innovation and Technology, Sustainability and Environmental Responsibility, Global Expansion, Customisation and Personalisation, People Development, Commitment to Quality and critically Customer Satisfaction.

Leadership

Our Leadership

Deepmala Kaushik

David Eisenhuth
Group CEO

At Tanshu, we strive to push the boundaries of what's possible, and working closely with our team and partners.

Shubham Kaushik
Director - Operations

Leading with precision and dedication, our operations ensure excellence at every stage.

Bhanu Baria
HR - Manager

Our commitment to 'Engineering Excellence' is not just a motto. It's our daily drive to provide innovative solutions in manufacturing and the export of premium quality materials."

Harjit Singh
Financial Controller

Driving growth and innovation, ensuring Tanshu Australia remains at the forefront of industry excellence."

Our Commitment to Sustainability & Quality

Tanshu Australia's commitment to sustainability and quality is deeply ingrained in all our subsidiary operations. We prioritise environmental stewardship and sustainable practices, utilising eco friendly materials and technologies to minimise our carbon footprint and progressively reduce our environmental impacts and use natural resources more efficiently. We also strive to fill our supply chain with ethical, responsible and sustainable sources, and to comply with local and international standards of care and due diligence. Our unwavering focus on quality ensures excellence from raw material sourcing to final product delivery. With sustainability and quality as our core values, we aim to make a positive impact on the world while delivering exceptional value to our customers and stakeholders.

Our Companies

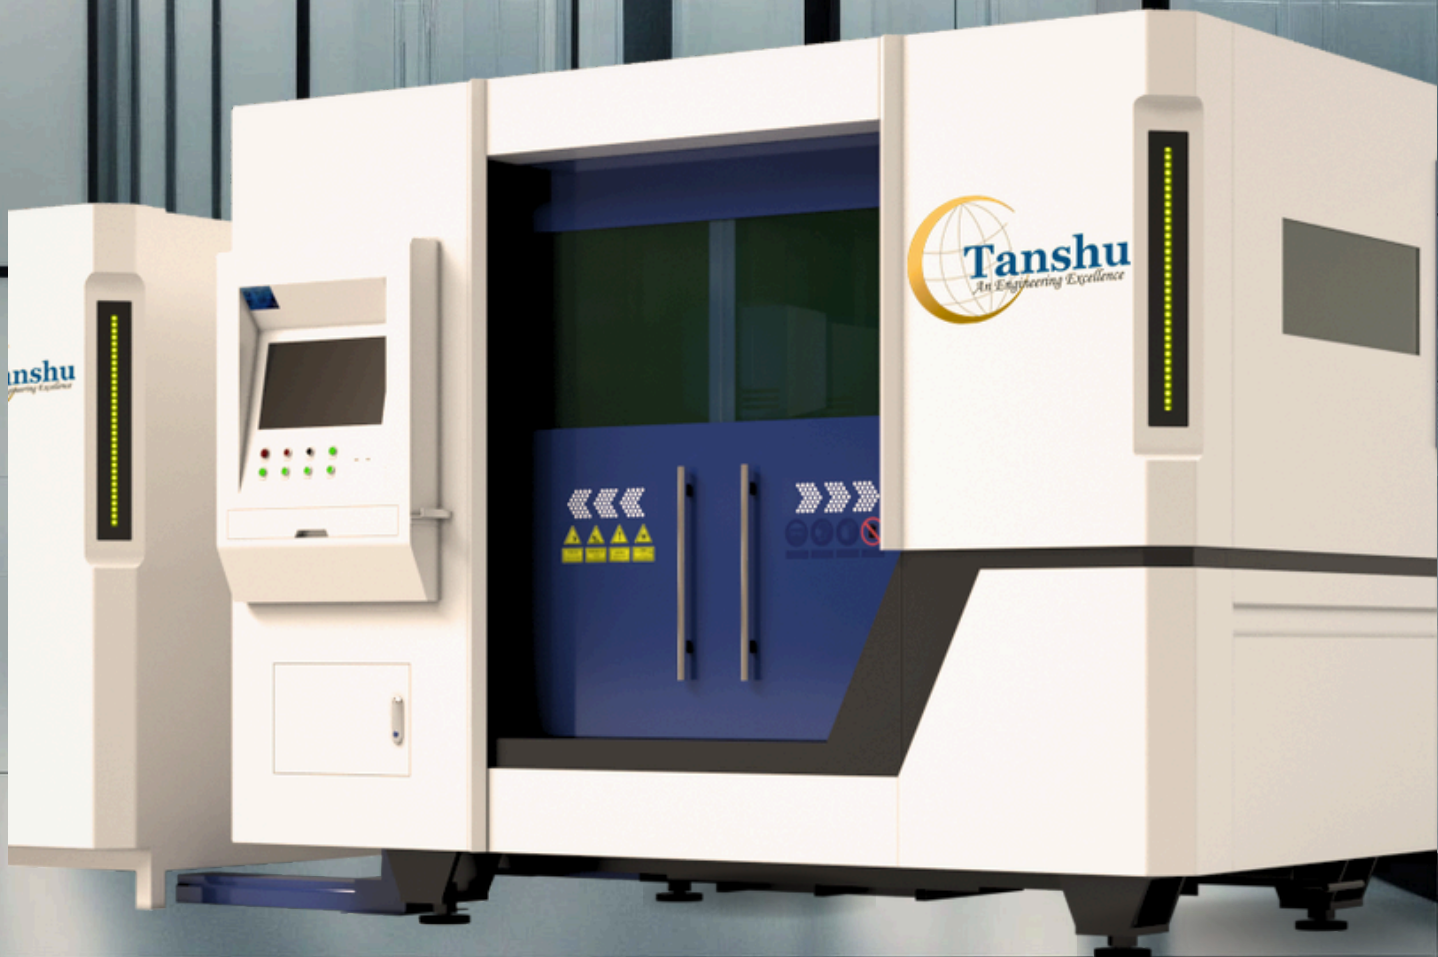

Tanshu Metal Products

An Engineering Excellence

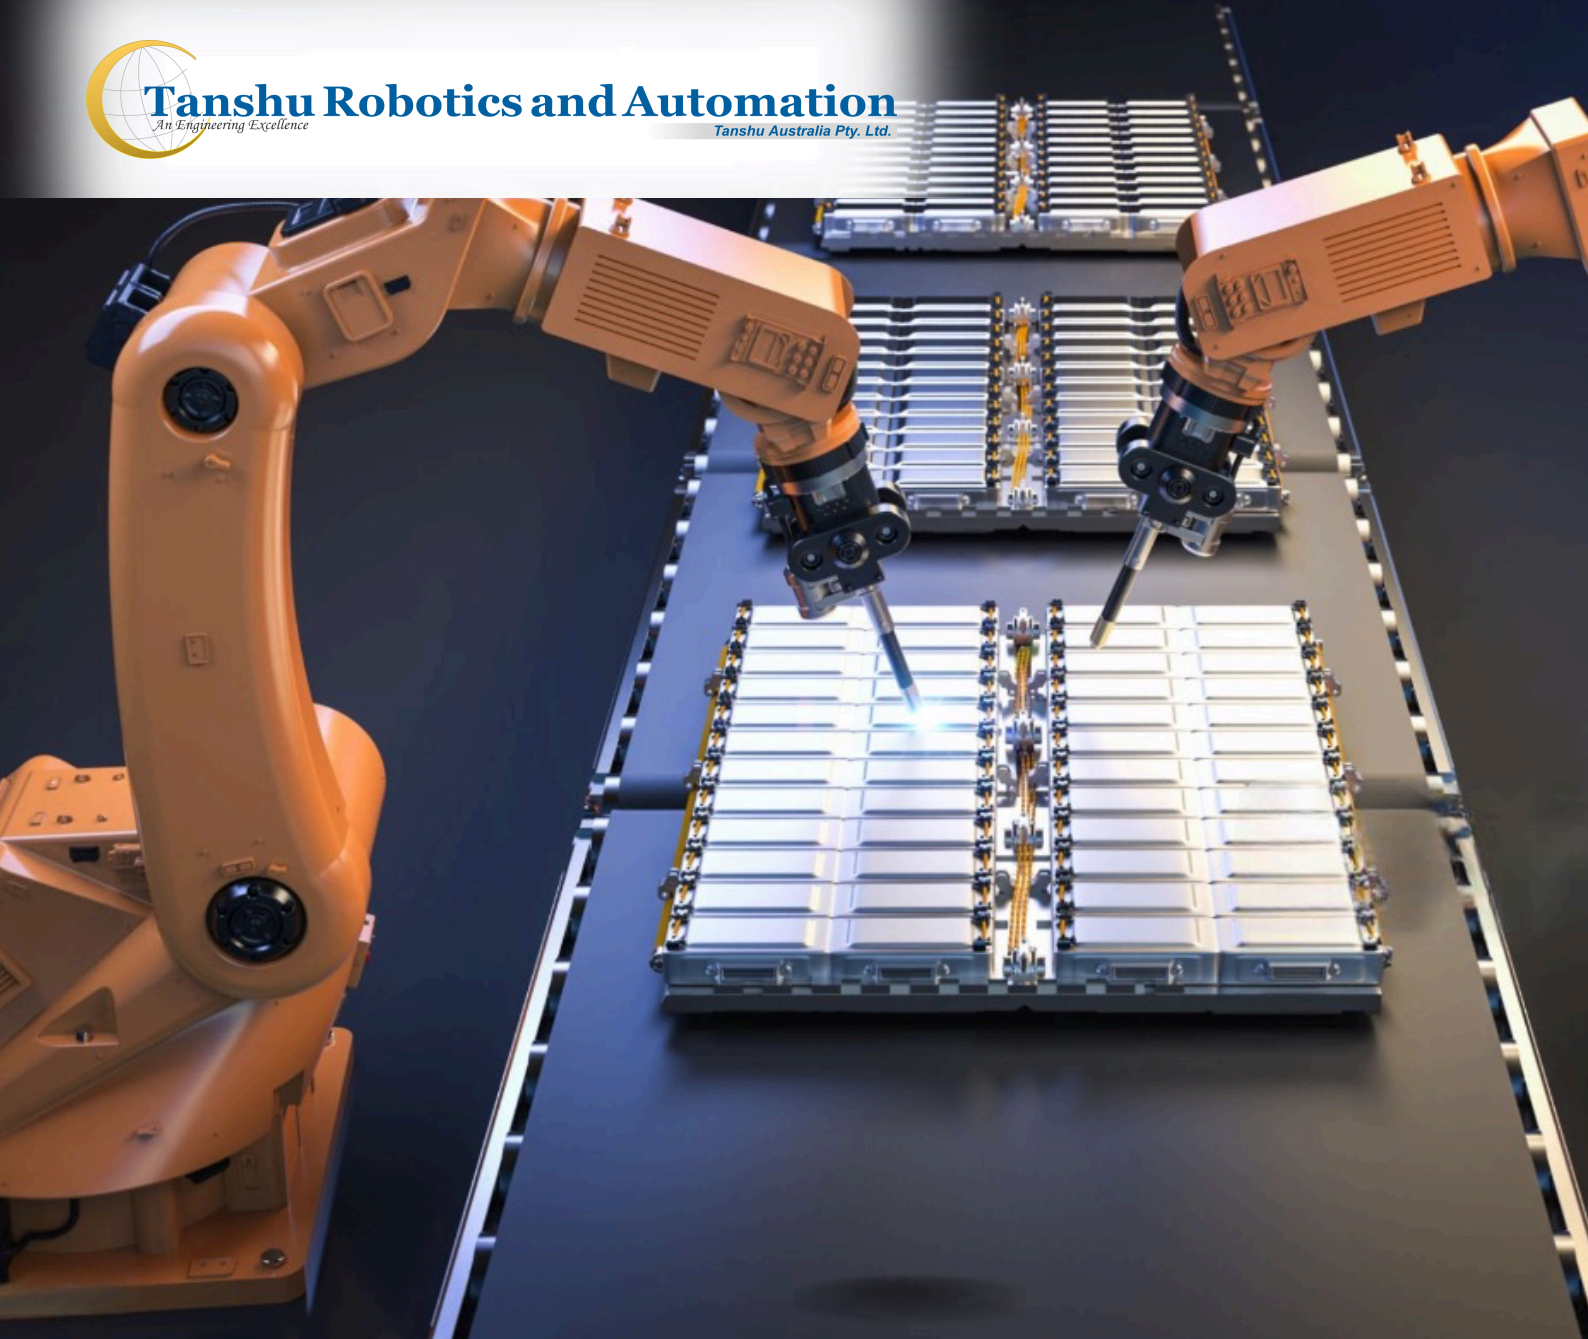

Tanshu Australia Pty. Ltd.

Tanshu Metal Products is an established manufacturer, specialising in Sheet Metal Fabrication, Laser Cutting, Welded Subassemblies, CNC Machining, and Light Engineering services for global industries. Renowned for its precision craftsmanship and high-quality materials, we excel in crafting products from stainless steel, mild steel, aluminium, and copper based alloys. Our advanced Laser Cut and CNC facilities ensure precision and efficiency for both small scale and bulk orders. Conveniently located in the Western suburbs of Sydney, we provide seamless service to our global clientele. Our team of highly skilled professionals bring extensive experience in manufacturing, inspection, quality assurance, and on time delivery, ensuring cost effective, superior quality solutions tailored to meet our customers' needs. We also operate a production facility in India.

Tanshu Machinery Solutions distinguishes itself by delivering innovative solutions that enhance operational efficiency and productivity across industries. We specialise in providing top tier brands of machinery and engineering equipment, including both new and pre owned manufacturing machinery sourced and exported from Australia to India and across the globe. Our comprehensive services extend beyond procurement, offering extensive post sales assistance to ensure uninterrupted support. Customers benefit from economies of scale and the expertise of our skilled technical team, ensuring top quality machinery and optimised performance. From installation to ongoing maintenance, we deliver unparalleled service and guidance, backed by ongoing warranty support for added assurance and peace of mind.

Committed to advancing automation across various industries, Tanshu Robotics and Automation delivers cutting edge robotic solutions tailored to the evolving needs of its customers. By leveraging automation, we streamline processes and enhance overall efficiency. Our offerings range from individual automated modules to comprehensive turnkey solutions, catering to diverse industry requirements. Supported by a dynamic team of experienced engineers ready to tackle any challenge, partnering with Tanshu enables you to focus on productivity while we handle the engineering intricacies.

Tanshu Green Energy offers end to end project management solutions for wind, solar, and hybrid energy projects. Our services include the supply of solar panels, solar water pumps, smart energy meters and wind turbines. As developing nations increasingly prioritise renewable energy, they are emerging as leaders in this sector. With growing investments in clean energy initiatives globally, we envision a future powered by renewable energy where Tanshu Green Energy's comprehensive solutions will play a pivotal role. Our commitment to developing large scale renewable energy projects, promoting clean energy adoption, and fostering a sustainable future is unwavering.

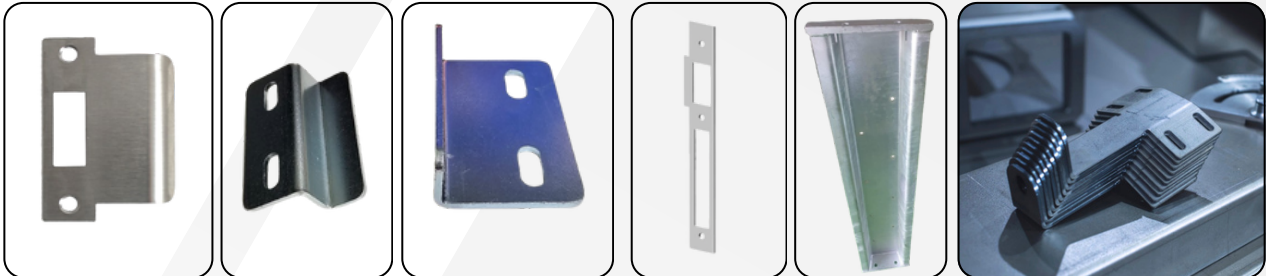

Tanshu Vaidik India Private Limited, is a premium textile manufacturer known for excellence and customer satisfaction. We deliver top quality products and exceptional service, leading the industry with a diverse range of textiles including rugs, baskets, poufs, slippers, and more. We also specialise in pet utility products like beds, mats, and baskets, crafted with care and precision. Our dedicated workforce and modern equipment ensure efficient production, while rigorous quality control measures uphold our commitment to the highest standards.
